The Dartmouth Hotel, Golf and Spa is set in 225 acres of beautiful South Devon countryside, with 35 bedrooms, two golf courses, bar, restaurant, meeting space, event space and spa facilities on site. Voted number 59 in the Top 100 Golf Resorts in Great Britain and Ireland.

# CHAMPIONSHIP COURSE

Our Championship Course opened in 1992. Designed by renowned British golf course architect Jeremy Pern, Dartmouth is reputedly one of his best creations. The course makes clever use of undulating terrain and numerous water features. From the 'tips' the layout stretches to almost 7200 yards, but there are four different tee boxes that ensure all levels of golfing ability are catered for.

Dartmouth's Championship Golf Course is undoubtedly tough but there's plenty of excitement to be had out there.

# DARTMOUTH COURSE

At 2252 yards this par 33 nine hole course offers five par 3's, two par 4's and two par 5's. With three different tee boxes available this is played as 18 holes and has been designed and built to the same exacting standards as its big sister. Featuring undulating greens and slightly more generous fairways this golf course caters for all abilities and is surely a gem amongst some of its bigger and more challenging siblings.
